FOREWORD

The National Education Policy 2020 recommends a ‘light but tight’ regulatory framework to ensure integrity, transparency, and resource efficiency of the educational system through audit and public disclosure while encouraging innovation and out-of-the-box ideas through autonomy, good governance, and empowerment (NEP 2020, pg.5).

The Affiliation process of CBSE has been reengineered in consonance with the National Education Policy 2020. In tune to the mandate of the National Education Policy 2020, CBSE has taken proactive measures to ensure that the new affiliation process is transparent, completely online, more accountable, and reduces compliance burden facilitating ease-of-doing-business by time-bound disposal of affiliation process. This Manual outlines the process for CBSE affiliation. It documents the process flow/work flow charts, clearly distinctive parts/ stages of affiliation process, all formats to be used for this process, an experiential video and Frequently Asked Questions (FAQ).

This is the fifth version of SARAS which was introduced in 2021. It has many new features aimed at making the affiliation process, time bound, transparent and hassle free for the schools.

This Manual will also be of immense help to the schools/ individuals so that the process of affiliation becomes a smooth and swift experience for them. It may also be noted that on the question of interpretation of any point of this manual, the provisions as mentioned in the CBSE Affiliation Byelaws shall prevail and the decision of the Board shall be final.

Important

- ❖ It has come to the notice that some of the schools, whose applications are under process for various reasons with the Affiliation Branch of CBSE, are being approached by alleged Consultants/Agents not only on the pretext of helping the schools in getting the replies prepared for shortcomings/deficiencies communicated to the schools by CBSE but also for getting the approval of affiliation expedited by using their claimed personal influence with CBSE officials for some consideration.
- ❖ The Board has neither appointed/authorised any agency/advisors to offer Affiliation- related services nor does the Board encourage such unethical practices. The Board also requests to all the stakeholders and general public to not to act on the basis of such false claims made by any unauthorised elements and visit Board's affiliation website at link: <http://saras.cbse.gov.in/> or refer CBSE affiliation bye-laws/SARAS Manual for information and activities of the Affiliation (Circular No. 08/2021 dated 10.05.2021 and Circular No. 06/2022 dated 09.06.2022).
- ❖ The Board has developed highly transparent and robust system of affiliation, where the schools are able to see the status of their application online. Whatever information these consultants/agents are claiming in support of their averments, is totally unauthorised.
- ❖ **The school shall only communicate with Affiliation Department through Progress Panel by clicking "Raise Query" icon and raise queries pertaining to SARAS 5.0 on SARAS Portal only. Queries in any other form/ mode such as emails/offline will not be entertained.**
